With Age Comes Wisdom

by
Andrew Cutone
Grade 8, Pegasus Cluster

You've grown so much,
And there's so much you've learned,
This proves you've gained knowledge,
As the second hand turned.

It's been so long,
And you know a ton,
You've learned from experience,
And you've had some fun.

With age comes wisdom,
This you know is true,
But you've still got more time,
And so much more to do.

So don't feel bad,
That this year's come to an end,
Move on and learn new things,
Go on and make a new friend.

This year was great,
And next year will be, too,
If not, even better,
This I promise you.
